

50 Plus-Skills hopes to educate, connect, encourage and inspire individuals, 50 plus to look at their next season as one of legacy and to live life to the full.

Working longer for money, personal meaning or both is a possibility, but needs out of the box thinking and a system of connections to enable the process.

50 Plus-Skills is an online talent/skills community that provides a platform for individuals, aged fifty plus, to connect with and provide their skills, time and services to business, civil society, academic institutions, NPO's and government.
